

The screenshot shows a Windows Internet Explorer browser window. The address bar displays the URL http://www.hqjmtc.army.mil/NCO_Academy/student.htm. The browser's title bar reads "7th Army NCOA - Student and Schools NCO Information". The website content includes a header for the "7th Army NCO Academy" and a main section titled "Attention" with the following text:

All Student and Sponsor Information has been moved to the [7th Army NCO Academy Portal Site](#).

To gain proper access, follow the directions as indicated in the document here:
[SharePoint Access](#)

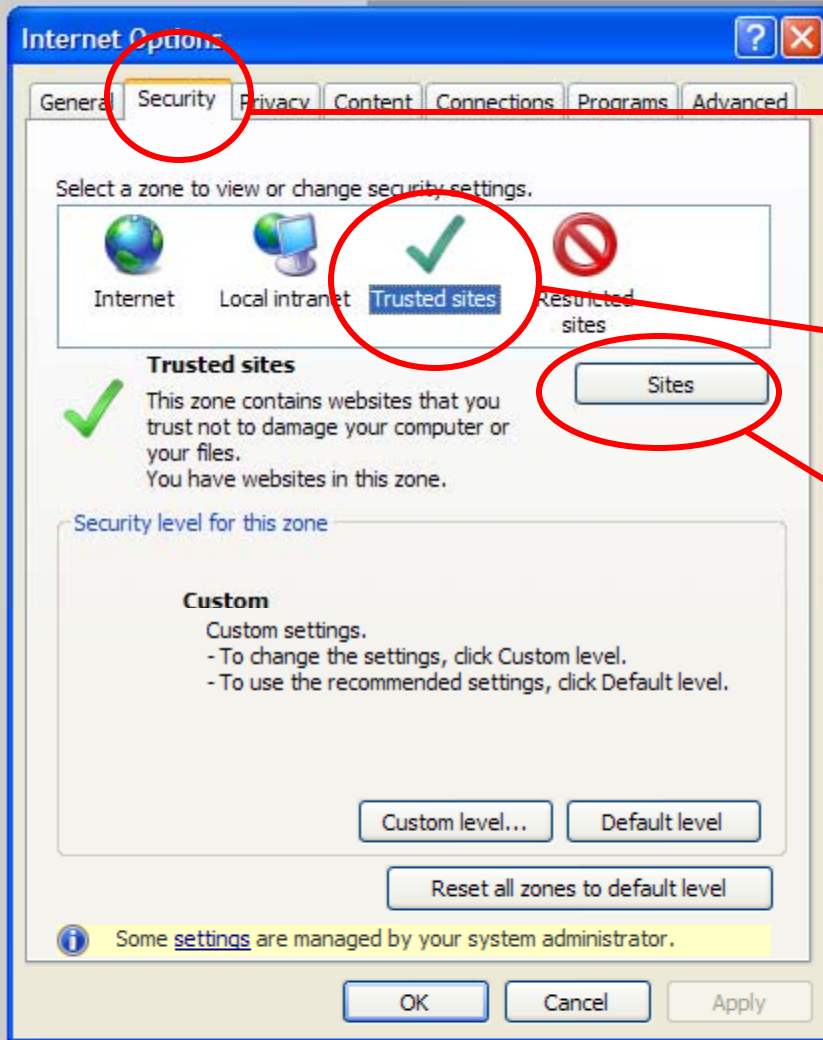

In order to gain access, you will have to be on a government system connected to the EUR domain. Please contact the Academy IT office at 475-8864 if you have any questions.

If you are not on the EUR domain and still require student information, please visit the [7th Army NCO Academy AKO site](#).

The left sidebar contains links: [Students and Schools NCOs](#), [Instructors](#), [Class Dates](#), [Academy History](#), and [Contact Us](#). The right sidebar features logos for the U.S. Army, AKO, USAREUR, and USASMA, along with a "Community" section listing [JMTTC](#), [100th ASG](#), and [Local Weather](#). At the bottom of the right sidebar is a "Contact Us" section with an email icon.

The browser's "Tools" menu is open, showing options such as "Delete Browsing History...", "Phishing Filter", "Manage Add-ons", "Work Offline", "Windows Update", "Full Screen", "Menu Bar", "Toolbars", "Diagnose Connection Problems...", and "Internet Options". The "Internet Options" option is highlighted with a red circle, and a red line extends from it towards the instruction box below.

1. From Internet Explorer, click "Tools" then "Internet Options."

2. Click on the "Security" tab.

3. Click on "Trusted Sites"

4. Click on "Sites"
